Low credit? No problem.

You can still buy a home with less-than-perfect credit.

At Nations Lending, we're making your home buying dreams a reality — even if your credit is less-than-stellar. That's why we're excited to offer financing options available for credit scores as low as 580.

Having a low or poor credit doesn't have to be a roadblock. We provide both VA Home Loans for borrowers with lower credit scores with up to 100% financing and FHA Home Loans with down payments as low 3.5%.

Here at Nations Lending, we believe everyone deserves a home. Contact us to learn more about our flexible credit standards today.
